How to Draw Lewis

Follow along with the pictures below to complete your own Lewis drawing!

Draw two circles VERY lightly in pencil! Eraser ready!

For his top bill, add two broken curves to your circles:

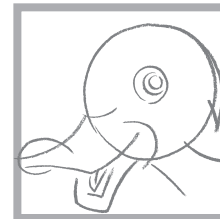

Add Lewis' bottom bill. One line is a check mark!

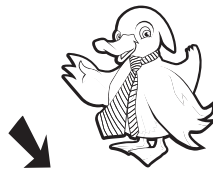

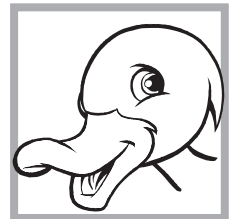

Add curves for the front and back of his eye, tongue and his neck.

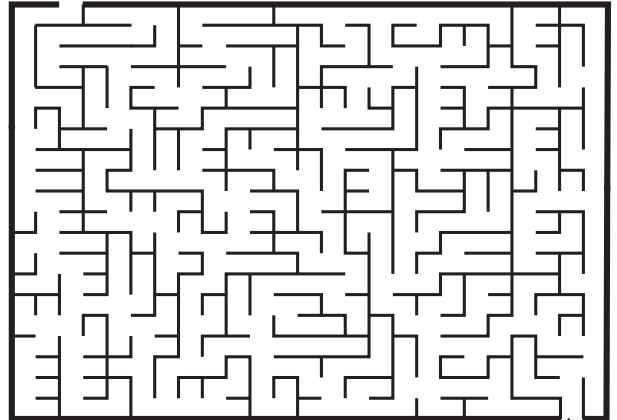

Now, Lewis gets his eye, tongue and the feather on his head.

Erase the extra lines, and darken the best ones. There's Lewis!

Help Lewis find his way to Hollywood!
