

# Lewis The Duck in Manitoba Quacktivity Page

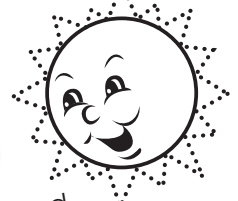

Help Lewis find his way to the hottest town in Canada!

**Eh...what's up, Chuck?** Winnipeg native Charles Thorson is credited with drawing the first Bugs Bunny.

**Gretna heat wave.** Canada's "National Hot Spot" is Gretna where they have, on average, the warmest temperatures in the country.

**Lunker land!** With more than 100,000 lakes, streams and rivers, Manitoba is one of Canada's best fishing destinations.

**A "beary" cool town.** In the fall as many as 100 polar bears migrate into Churchill - that's why they call it the Polar Bear Capital of the world.
