

# Lewis The Duck in Oklahoma Quacktivity Page

Stop! And read this. The "yield" sign was invented by a police officer named Clinton Riggs and first used on the streets of Tulsa.

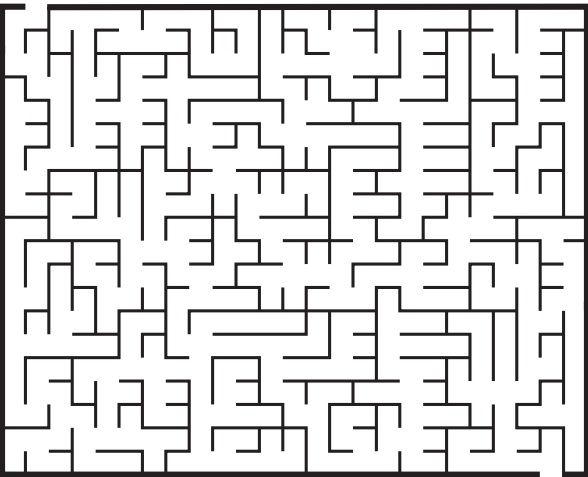

**A proud heritage.** Oklahoma has the largest Native American population of any state in the U.S. and is home to the tribal headquarters of 39 different tribes.

Help Lewis find his way to the oil well!

What's in a name? Oklahoma is one of only two states whose capital cities name includes the state name. Can you think of the other one?

We're gushing with pride. There is an operating oil well on the grounds of the state capitol in Oklahoma City.
