

Lewis The Duck in Virginia

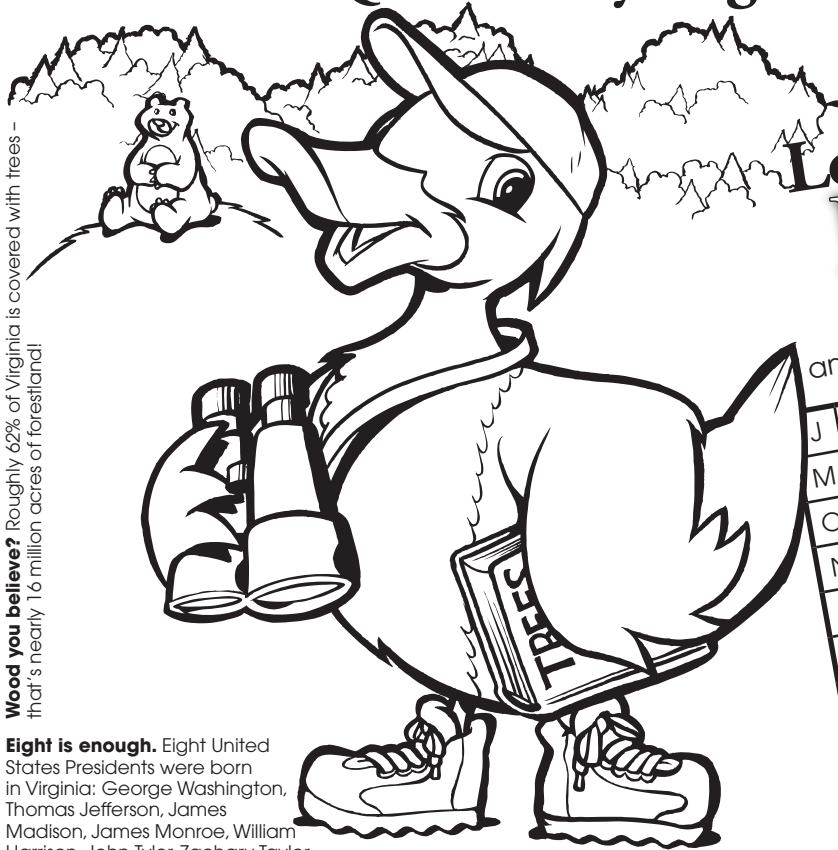

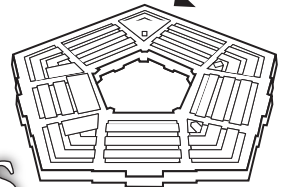

Quacktivity Page

Help Lewis find his way to the Pentagon!

Can you get that? The Pentagon has nearly 68,000 miles of internal telephone lines.

Wood you believe? Roughly 62% of Virginia is covered with trees - that's nearly 1.6 million acres of forestland!

Eight is enough. Eight United States Presidents were born in Virginia: George Washington, Thomas Jefferson, James Madison, James Monroe, William Harrison, John Tyler, Zachary Taylor and Woodrow Wilson.
