

Dear Valued Guest,

To ensure the satisfaction of each and every hotel guest, we have implemented a quiet policy for our hotel. This policy restricts room parties, disruptive congregations and disturbances of any kind throughout the property. The Homewood Suites has the right to confront any disturbances within the property and take action to ensure a safe and pleasant environment for all guests and employees alike.

The Homewood Suites will take authoritative action and give a verbal warning on 1st noise or disturbance offense. If a 2nd warning needs to be issued, hotel staff will come to your suite and mention the result of our 3<sup>rd</sup> violation policy. If a 3<sup>rd</sup> warning is issued, the matter will be turned over to local law enforcement and result in eviction of property without refund for all parties involved.

Please kindly dispose of any trash you may accumulate in our common areas in the conveniently located trash receptacles. We take great pride in providing a clean, friendly, safe and warm environment for all to enjoy. If you have any questions involving this policy, please contact the front desk staff (available 24 hours) or management.

Any damage to your suite found during or after your stay will result in a fee coinciding with cost to repair room to our Hilton brand standard of service. You will be charged directly to the credit card found on file for your incidentals.

We wish for everyone to have a wonderful and pleasant stay with us here at the Homewood Suites, Hamilton, NJ.

Yours in hospitality,

The Homewood Suites Management Team
