

Lewis The Duck

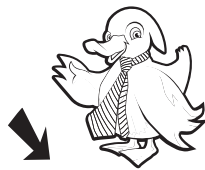

in Northwest Territories

Quacktivity Page

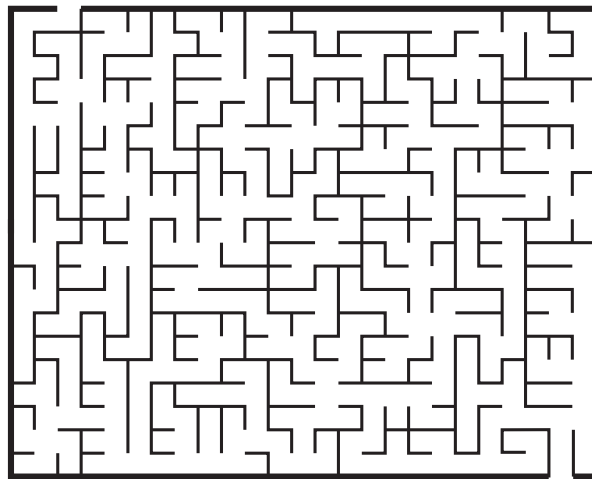

Texas Size? That's Nothing! The Northwest Territories are 1.17 million sq. km of mountains, forests and tundra. That's nearly twice the size of Texas.

Snow Kidding! The average snowfall in the Northwest Territories is a whopping 1,651 mm per year.

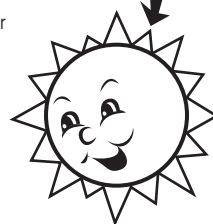

Help Lewis find his way to the Land of the Midnight Sun!

Are You Going to the Light Show? During the Northern Lights, dark winter night skies glow brightly with multi-colored lights.

Land of the Midnight Sun. North of the Arctic Circle there are 57 days in the summer when the sun never sets. No kidding!

Lewis Look-ups

Look forward, backward, up, down and diagonally to find these Northwest Territories words.
