Pacific Area

Quacktivity Page

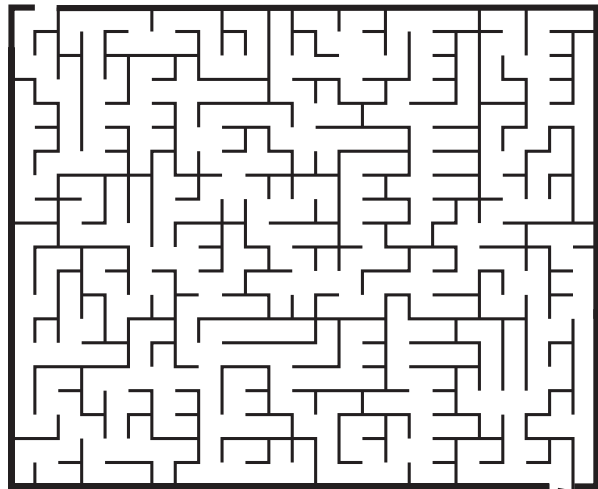

That's One Big Reef! The Great Barrier Reef is the world's largest coral reef system. It's so big it can be seen from space!

Didge Ya Hear How Old It Is? The didgeridoo is the world's oldest wind instrument. Aboriginal people of Australia have been playing it for about 1500 years!

Help Lewis find his way to surf in the Pacific Islands!

Who You Callin' a Kiwi? New Zealand is home to a flightless bird called the Kiwi. Kiwi has also become a common name for New Zealanders, their currency and kiwifruit.

Surf's Up! Wax your board and paddle out...the Pacific Islands boast some of the best surfing in the world.

Lewis Look-ups

Look forward, backward, up, down and diagonally to find these Pacific Area words.

QUACK-UPS!

Q. What happens when a duck flies upside down?

QUACK!

A. It quacks up.

Q. Why don't ducks play baseball?

A. They only hit fowl balls.
